YOU'LL NEVER WALK ALONE - 1963

When you walk through a storm

Hold your head up high

And don't be afraid of the dark

At the end of a storm

There's a golden sky

And the sweet silver song of a lark

Walk on through the wind

Walk on through the rain

Though your dreams be tossed and blown

Walk on, walk on

With hope in your heart

And you'll never walk alone

You'll never walk alone

Walk on, walk on

With hope in your heart

And you'll never walk alone

You'll never walk alone

HEY JUDE - 1968

Hey Jude don't make it bad

take a sad song and make it better

Remember to let her into your heart

and then you can start to make it better

Hey Jude don't be afraid

you were made to go out and get her

The minute you let her under your skin

then you begin to make it better

And anytime you feel the pain hey jude refrain

Don't carry the world upon your shoulders

For well you know that its a fool who plays it cool

by making his world a little colder

Da da da da

Hey Jude don't let me down

You have found her now go and get her

Remember to let her into you heart

then you can start to make it better

So let it out and let it in hey Jude begin

your waiting for someone to perform with

And don't you know that its just you hey jude you'll do

The movement you need is on your shoulders

Dadadadada da da da da

Hey Jude dont make it bad

take a sad song and make it better

Remember to let her under your skin

and then you'll begin to make it better

Na na na na na na Na na na na

Hey Jude (Repeat and fade)

SOMEBODY TO LOVE - 1976

Can anybody find me somebody to love?
Ooh, each morning I get up I die a little
Can barely stand on my feet
(Take a look at yourself) Take a look in the mirror and cry (and cry)
Lord, what you're doing to me (yeah yeah)
I have spent all my years in believing you
But I just can't get no relief, Lord!
Somebody (somebody) ooh somebody (somebody)
Can anybody find me somebody to love?
I work hard (he works hard) every day of my life
I work 'til I ache in my bones
At the end (at the end of the day)
I take home my hard earned pay all on my own
I get down (down) on my knees (knees)
And I start to pray
'Til the tears run down from my eyes
Lord, somebody (somebody), ooh somebody
(Please) can anybody find me somebody to love?
Everyday (everyday) I try and I try and I try
But everybody wants to put me down
They say I'm going crazy
They say I got a lot of water in my brain
Ah, got no common sense
I got nobody left to believe in
Yeah yeah yeah yeah
Oh, Lord
Ooh somebody, ooh somebody
Can anybody find me somebody to love?
(Can anybody find me someone to love)

Got no feel, I got no rhythm
I just keep losing my beat (you just keep losing and losing)
I'm OK, I'm alright (he's alright, he's alright)
I ain't gonna face no defeat (yeah yeah)
I just gotta get out of this prison cell
One day (someday) I'm gonna be free, Lord!
Find me somebody to love x7
Find me somebody to love love love
Find me somebody to love x2
Somebody somebody somebody somebody
Somebody find me
Somebody find me somebody to love
Can anybody find me somebody to love?
(Find me somebody to love)
Ooh
(Find me somebody to love)
Find me somebody, somebody (find me somebody to love) somebody, somebody to love
Find me, find me, find me, find me, find me
Ooh, somebody to love (Find me somebody to love)
Ooh (find me somebody to love)
Find me, find me, find me somebody to love (find me somebody to love)
Anybody, anywhere, anybody find me somebody to love love love!
Somebody find me, find me love

DON'T STOP ME NOW - 1979

Tonight I'm gonna have myself a real good time
I feel alive and the world it's turning inside out Yeah!
I'm floating around in ecstasy
So don't stop me now don't stop me
'Cause I'm having a good time having a good time
I'm a shooting star leaping through the skies
Like a tiger defying the laws of gravity
I'm a racing car passing by like Lady Godiva
I'm gonna go go go There's no stopping me
I'm burning through the sky yeah! Two hundred degrees
That's why they call me Mister Fahrenheit
I'm trav'ling at the speed of light
I wanna make a supersonic man out of you
Don't stop me now I'm having such a good time
I'm having a ball
Don't stop me now If you wanna have a good time
Just give me a call
Don't stop me now ('cause I'm having a good time)
Don't stop me now (yes I'm having a good time)
I don't want to stop at all... yeah!
I'm a rocket ship on my way to Mars
On a collision course I am a satellite I'm out of control
I am a sex machine ready to reload
Like an atom bomb about to Oh oh oh oh oh explode
I'm burning through the sky yeah! Two hundred degrees
That's why they call me Mister Fahrenheit
I'm trav'ling at the speed of light
I wanna make a supersonic woman of you

EVERY BREATH YOU TAKE - 1983

Every breath you take And every move you make

Every bond you break Every step you take

I'll be watching you Every single day

And every word you say Every game you play

Every night you stay I'll be watching you

Oh, can't you see You belong to me?

How my poor heart aches With every step you take?

Every move you make And every vow you break

Every smile you fake Every claim you stake

I'll be watching you Since you've gone, I've been lost without a trace

I dream at night, I can only see your face I look around, but it's you I can't replace

I feel so cold, and I long for your embrace I keep crying baby, baby please

Oh, can't you see You belong to me? How my poor heart aches

With every step you take? Every move you make And every vow you break

Every smile you fake Every claim you stake I'll be watching you

Every move you make Every step you take I'll be watching you

I'll be watching you (Every breath you take)

(Every move you make) (Every bond you break) (Every step you take) I'll be watching you (Every single day) (Every word you say) (Every game you play)

(Every night you stay) I'll be watching you I'll be watching you (Every single day)

(Every word you say) Who, hoo (Every game you play) (Every night you stay) I'll be watching you I'll be watching you (Every single day) (Every word you say)

(Every game you play) (Every night you stay) I'll be watching you

I'll be watching you (Every single day)

(Every word you say) (Every game you play)

(Every night you stay) I'll be watching you...

RELIGHT MY FIRE - 1993

Help me escape this feeling of insecurity

I need you so much but I don't think you really need me

But if we all stand up in the name of love

And state the case of what we're dreaming of

I've got to say I only dream of you

But like a thief in the night

You took away the love that I knew

Relight my fire Your love is my only desire

Relight my fire 'Cos I need your love

Turn back the times till the days when our love was new

Do you remember? No matter what was happening I was there with you

But if we all stand up for what we believe And maybe live within our possibilities

The world would be wild for the dream So baby don't turn away

Listen to what I gotta say Relight my fire Your love is my only desire

Relight my fire 'Cos I need your love

Relight my fire Your love is my only desire

Relight my fire 'Cos I need your love

You gotta be strong enough to walk on through the night (yeah)

There's a new day on the other side (yeah)

You've got to have hope in your soul

Just keep on walking, woah, woah, yeah

Strong enough to walk on through the night

There's a new day on the other side

You've got to have hope in you soul

Keep on walking Relight my fire Your love is my only desire

Relight my fire 'Cos I need your love

Relight my fire

Your love is my only desire

Relight my fire

'Cos I need your love

Relight my fire

Your love is my only desire Relight my fire 'Cos I need your love

WONDERWALL - 1995

Today is gonna be the day that they're
gonna throw it back to you By now you should've somehow
realized what you gotta do I don't believe that anybody feels the way I do
About you now Backbeat the word is on the street that the
fire in your heart is out I'm sure you've heard it all before but you
never really had a doubt I don't believe that anybody feels the way I do
About you now And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I Would like to say to you, but I don't know how
Cause maybe, you're gonna be the one that saves me?
And after all You're my wonderwall
Today is gonna be the day but they'll
never throw it back to you By now you should've somehow
realized what you're not to do I don't believe that anybody
feels the way I do about you now And all the roads we have to walk are winding
And all the lights that lead us there are blinding There are many things that I
Would like to say to you, but I don't know how
Cause maybe, you're gonna be the one that saves me?
And after all You're my wonderwall
Cause maybe, you're gonna be the one that saves me?
And after all You're my wonderwall

ANGELS - 1997

I sit and wait

Does an angel contemplate my fate

And do they know

The places where we go

When we're grey and old

'Cause I have been told

That salvation lets their wings unfold

So when I'm lying in my bed

Thoughts running through my head

And I feel the love is dead

I'm loving angels instead

And through it all she offers me protection

A lot of love and affection

Whether I'm right or wrong

And down the waterfall

Wherever it may take me

I know that life won't break me

When I come to call, she won't forsake me

I'm loving angels instead

When I'm feeling weak

And my pain walks down a one way street

I look above

And I know I'll always be blessed with love

And as the feeling grows

She breathes flesh to my bones

And when love is dead

I'm loving angels instead

And through it all she offers me protection

A lot of love and affection

Whether I'm right or wrong

And down the waterfall

Wherever it may take me

I know that life won't break me

When I come to call, she won't forsake me

I'm loving angels instead

And through it all she offers me protection

A lot of love and affection

Whether I'm right or wrong

And down the waterfall

Wherever it may take me

I know that life won't break me

When I come to call, she won't forsake me

I'm loving angels instead

YELLOW - 2000

Look at the stars, Look how they shine for you,

And everything you do, Yeah, they were all yellow.

I came along, I wrote a song for you, And all the things you do, and it was called Yellow

So then I took my turn,

Oh what a thing to have done, and it was all yellow.

Your skin, Oh yeah your skin and bones,

Turn into something beautiful, You know, you know I love you so, You know I love you so.

I swam across, I jumped across for you, Oh what a thing to do. 'Cause you were all yellow,

I drew a line, I drew a line for you, Oh what a thing to do, and it was all yellow.

Your skin, Oh yeah your skin and bones,

Turn into Something beautiful, And you know, for you I'd bleed myself dry,

For you I'd bleed myself dry.

It's true, look how they shine for you,

Look how they shine for you,

Look how they shine for

Look at the stars,

Look how they shine for you,

And all the things that you do.

CHASING CARS - 2006

We'll do it all
Everything on our own
We don't need anything
Or anyone
If I lay here, if I just lay here
Would you lie with me and just forget the world?
I don't quite know
How to say, how I feel
Those three words
Are said too much
They're not enough
If I lay here
If I just lay here
Would you lie with me and just forget the world?
Forget what we're told
Before we get too old
Show me a garden that's bursting into life
Let's waste time
Chasing cars
Around our heads
I need your grace

To remind me
To find my own
If I lay here
If I just lay here
Would you lie with me and just forget
the world?
Forget what we're told
Before we get too old
Show me a garden that's bursting into
life
All that I am
All that I ever was
Is here in your perfect eyes, they're all
I can see
I don't know where
Confused about how as well
Just know that these things will never
change for us at all
If I lay here
If I just lay here
Would you lie with me and just forget
the world?

VALERIE - 2008

Well sometimes I go out by myself
And I look across the water
And I think of all the things, what you're doing
And in my head I paint a picture
Cos since I've come on home,
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over
Stop making a fool out of me, ...cs
Why don't you come on over Valerie?
Valerie? Valerie? Valerie?
Did you have to go to jail,
Put your house up on for sale, did you get a good lawyer?
I hope you didn't catch a tan,
I hope you'll find the right man who'll fix it for ya
And are you shoppin' anywhere,
Changed the color of you hair, are you busy?
And did you have to pay the fine
You were dodging all the time, are you still dizzy?
Cos, Since I've come on home,

Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over
Stop making a fool out of me
Why don't you come on over Valerie?
Valerie? Valerie? Valerie?
Well sometimes I go out by myself
And I look across the water
And I think of all the things, what you're doing
And in my head I paint a picture
Cos, since I've come on home,
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over
Stop making a fool out of me
Why don't you come on over Valerie?
Valerie? Valerie? Valerie? Valerie?
Oh Valerie? Valerie? Valerie?
Why don't you come on over Valerie?

ROLLING IN THE DEEP - 2011

There's a fire starting in my heart
Reaching a fever pitch, it's bringing me out the dark
Finally I can see you crystal clear
Go 'head and sell me out and I'll lay your ship bare
See how I'll leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark
The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless
I can't help feeling
We could've had it all (you're gonna wish you)
(Never had met me)
Rolling in the deep (tears are gonna fall)
(Rolling in the deep)
You had my heart inside (you're gonna wish you)
Of your hands (never had met me)
And you played it (tears are gonna fall)
To the beat (rolling in the deep)
Baby, I have no story to be told
But I've heard one on you, now I'm gonna make your head bur
Think of me in the depths of your despair
Make a home down there, as mine sure won't be shared
The scars of your love (never had met me)
Remind me of us (tears are gonna fall)
They keep me thinking (rolling in the deep)
That we almost had it all (you're gonna wish you)
The scars of your love (never had met me)
They leave me breathless (tears are gonna fall)
I can't help feeling (rolling in the deep)
We could've had it all (you're gonna wish you)

(Never had met me)
Rolling in the deep (tears are gonna fall)
(Rolling in the deep)
You had my heart inside (you're gonna wish you)
Of your hands (never had met me)
And you played it (tears are gonna fall)
To the beat (rolling in the deep)
We could've had it all
Rolling in the deep
You had my heart inside of your hand
But you played it with a beating
Throw your soul through every open door (whoa)
Count your blessings to find what you look for (whoa)
Turn my sorrow into treasured gold (whoa)
You pay me back in kind and reap just what you've
sown
We could've had it all (tears are gonna fall, rolling in the
deep)
We could've had it all (you're gonna wish you never had
met me)
It all, it all, it all (tears are gonna fall, rolling in the deep)
We could've had it all (you're gonna wish you)
(Never had met me)
Rolling in the deep (tears are gonna fall)
(Rolling in the deep)
You had my heart inside (you're gonna wish you)
Of your hands (never had met me)
And you played it (tears are gonna fall)
To the beat (rolling in the deep)
Could've had it all (you're gonna wish you)
(Never had met me)
Rolling in the deep (tears are gonna fall)
(Rolling in the deep)
You had my heart inside (you're gonna wish you)
Of your hands (never had met me)
But you played it, you played it, you played it
You played it to the beat

PERFECT - 2017

I found a love for me

Oh, darling, just dive right in and follow my lead

Well, I found a girl, beautiful and sweet

Oh, I never knew you were the someone waiting for me

'Cause we were just kids when we fell in love

Not knowing what it was

I will not give you up this time

But darling, just kiss me slow

Your heart is all I own

And in your eyes, you're holding mine

Baby, I'm dancing in the dark with you between my arms

Barefoot on the grass, listening to our favourite song

When you said you looked a mess, I whispered underneath my breath

But you heard it, darling, you look perfect tonight

Well, I found a woman, stronger than anyone I know

She shares my dreams, I hope that someday I'll share her home

I found a love, to carry more than just my secrets

To carry love, to carry children of our own

We are still kids, but we're so in love

Fighting against all odds

I know we'll be alright this time

Darling, just hold my hand Be my girl, I'll be your man I see my future in your eyes

Baby, I'm dancing in the dark, with you between my arms

Barefoot on the grass, listening to our favorite song

When I saw you in that dress, looking so beautiful

I don't deserve this, darling, you look perfect tonight

Baby, I'm dancing in the dark, with you between my arms

Barefoot on the grass, listening to our favorite song

I have faith in what I see

Now I know I have met an angel in person

And she looks perfect

I don't deserve this, you look perfect tonight

SHOTGUN - 2018

Homegrown alligator, see you later
Gotta hit the road, gotta hit the road
Something changed in the atmosphere
Architecture unfamiliar
I could get used to this
Time flies by in the yellow and green
Stick around and you'll see what I mean
There's a mountaintop that I'm dreaming of
If you need me you know where I'll be
I'll be riding shotgun underneath the hot sun
Feeling like a someone (someone)
I'll be riding shotgun underneath the hot sun
Feeling like a someone
We're south of the Equator, navigator
Gotta hit the road, gotta hit the road
Deep sea diving 'round the clock, bikini bottoms, lager tops
I could get used to this
Time flies by in the yellow and green
Stick around and you'll see what I mean
There's a mountaintop that I'm dreaming of
If you need me you know where I'll be

I'll be riding shotgun underneath the hot sun
Feeling like a someone (someone)
I'll be riding shotgun underneath the hot sun
Feeling like a someone
We got two in the front (hey)
Two in the back (hey)
Sailing along
And we don't look back (back, back)
Time flies by in the yellow and green
Stick around and you'll see what I mean
There's a mountaintop that I'm dreaming of
If you need me you know where I'll be
I'll be riding shotgun underneath the hot sun
Feeling like a someone (someone)
I'll be riding shotgun underneath the hot sun
Feeling like a someone
I'll be riding shotgun underneath the hot sun
Feeling like a someone (someone)
I'll be riding shotgun underneath the hot sun
Feeling like a someone, a someone, a someone, someone

SPACEMAN - 2022

If I was an astronaut, I'd be floating in mid-air
And a broken heart would just belong to someone else down there
I would be the centre of my lonely universe
But I'm only human, and I'm crashing down to earth
If I was an astronaut, I'd have a bird's eye view
I'd circle 'round the world and keep on coming back to you
In my floating castle, I'd rub shoulders with the stars
But I'm only human, and I'm drifting in the dark
I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
And I wanna go home
If I was an astronaut, I'd speak to satellites
My navigation systems would search for other life
But I'd be up here thinking 'bout what I left behind
'Cause I'm only human with the real world on my mind
I'm up in space, man
Up in space, man
I've searched around the universe

Been down some black holes
There's nothing but space, man
And I wanna go home
Gravity keeps pulling me down
As long as you're on the ground, I'll stick around
Stick around
I'll stick around
I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man, no
Oh, I'm in the wrong place, man
Nothing but, nothing but, nothing but space, man
Nothing but, nothing but, nothing but space, man
I've searched around the universe
Been down some black holes
Nothing but space, man
And I wanna go home
